

X-SERIES BUCKETS

X-SERIES BUCKETS

Built tough from the ground up

The X-series buckets are a premium bucket and ideal for all heavy-duty and high abrasive work, including rock and quarry. This bucket has armour in all the right places to provide years of digging with minimal downtime.

X-T SERIES BUCKETS

This range has all the features of the X series ... plus more. The X-T series is extra hard wearing steel with no added weight!

FEATURES

- ✓ Thicker headplate and legs.
- ✓ 2x under boxing strong backs and a full rear ear saddle for additional strength and support.
- ✓ Fitted standard with a 450-grade inner liner and additional 450-grade wear strips.
- ✓ Heal blocks.
- ✓ Side leg and cutting edge gum protectors.
- ✓ Finished off with inner corner gussets and boxing protector.
